Mr. Ujjwal Singh, CEO & President, Infinity Learn by Sri Chaitanya

1) **The objectives and significance of "Pledge 76" in fostering a brighter future for the children of our brave defence and paramilitary forces personnel.**
   The Pledge 76 campaign carries immense importance in moulding a more promising tomorrow for the offspring of our courageous military and paramilitary forces personnel. Our mission is to furnish these budding intellects with unmatched educational prospects, guaranteeing them exceptional backing for their academic advancement. Through the extension of this endeavour, our goal is to narrow the educational disparity and enable these youngsters to realize their ambitions confidently.

2) **How this initiative goes beyond mere educational support, serving as a profound expression of admiration and respect for the sacrifices made by these families?**

   Pledge 76 goes beyond its function as a simple educational support program. It serves as a powerful expression of our gratitude for the sacrifices made by the families of the members of our defence forces. We gratefully acknowledge the selfless dedication and ceaseless efforts of these gallant people who ensure the safety of our country. By fostering the potential of their offspring and giving them the skills and knowledge, they need to succeed in their chosen endeavours, this endeavour serves to honour their sacrifices.

3) **Delve into Infinity Learn's commitment to shaping ambitions and providing top-notch educational opportunities through specialized coaching for IIT-JEE, NEET, and Foundation courses for Grades 8-13.**

Our goal at Infinity Learn is to foster young aspirations and provide top-notch educational opportunities. Our specialized coaching fosters a fundamental understanding of Math and Science and prepares students for competitive success in IIT-JEE and NEET (Grades 8–13). Through Pledge 76, we reaffirm our dedication to empowering the offspring of our heroes while upholding the highest standards in education to make a significant contribution to society.

4) **Please elaborate on the significance of launching this initiative on India's 76th Independence Day.**

The Pledge 76: Igniting Minds, Honouring Heroes initiative's unveiling on India's 76th Independence Day is of utmost significance. This historic day honours the sacrifices and tenacity that helped to forge our country. As India overcame obstacles, we set out to empower youth and support the country's ongoing development. Launching on this special day commemorates the defence, paramilitary, law enforcement etc. protecting our freedom. It represents our dedication to empowering their kids through education and paying tribute to their parents' commitment.

5) **How will the scholarship recipients benefit from the specialized coaching for IIT-JEE, NEET, and Foundation courses offered by Infinity Learn?**

The Pledge 76 scholarship recipients will experience transformative education thanks to our expert coaching. It provides academic excellence and all-around development and is intended for IIT-JEE, NEET, and Foundation courses. Students gain an in-depth understanding with the help of skilled instructors, thorough materials, and cutting-edge teaching techniques. They are prepared for life as successful engineers, doctors, and responsible citizens, not just for exams. This all-encompassing strategy guarantees excellence in exams as well as ongoing endeavours.

6) **How does Infinity Learn envision the long-term outcomes of the "Pledge 76" initiative for the scholarship recipients and the broader community?**

The Pledge 76 initiative ensures enduring impact. Scholarship recipients forge successful paths, embodying their parents' values and inspiring others. It cultivates leaders who contribute positively to society, transcending education. This sets a precedent for collective action and social responsibility. Investing in young minds, we spark progress, creating a cycle of empowerment that shapes India's destiny. The impact multiplies as recipients excel and give back—a virtuous cycle enriching the nation. Outcomes extend beyond academia, sowing seeds for an empowered, united, and prosperous India.
